Dear Temporary Food Vendor:

The 2022 fee for a Morgan County temporary food permit is **\$45.00** per unit. Please obtain a permit from this office **PRIOR** to the first event you plan to attend. Your Temporary Food Establishment Permit will be good for any event during 2022 in Morgan County, up to a total of 15 days. In accordance with the Morgan County Food Establishment Ordinance, your permit shall be posted in plain view within your unit at all times while operating. If your permit is lost or forgotten between events, a new permit must be obtained at the annual fee of \$45.00 **BEFORE** sales commence.

A permit may be obtained by mail or in person. Please complete the enclosed application and send **with a self-addressed, stamped envelope** with proper fee (check or money order) to the above address. In person, please bring the completed application form with you. \*Also include a copy of your food handler certification.

**Online Payment:** You may now apply and pay for your food establishment permit on our website at: <http://www.morgancountyhealth.com/environmental-health/food-division/food-permit-applications/online-food-permit-application>

Sincerely,

Paul E. Broderick, D.O.
