

MORGAN COUNTY DRAINAGE BOARD

**May 16, 2016
6:15 P.M.**

Drainage Board members present were: Norman Voyles, Don Adams, and Brian Goss. Also present were Terry Brock (Surveyor), Bill Dials (Stormwater Coordinator), and Rod Bray (Attorney).

Crone Ditch Repair

Terry Brock stated that there were three quotes for the repair of the Crone Drainage Tile as follows:

Vagedes & Sons Farm Drainage
 Total without gravel bedding \$16,436.54 ✓
 Total with gravel bedding halfway up pipe \$18,036.54
 Total with gravel (full pipe bedding) \$19,636.54
 Additional \$150 per lateral connection up to 6" and \$300 up to 15"

Murrian Excavating
 Total with dual wall pipe (full gravel bedding) \$38,460.00
 Additional cost of \$75 per lateral connection up to 8", \$200 for 10", and \$275 for 12"

Weddle Farm Drainage
 Total with dual wall pipe (full gravel bedding) \$32,061.57
 An additional 10% charge was added to the total for connections and utility crossings

The Morgan County Surveyor's Office recommends Vagedes and Sons Farm Drainage to complete the project of replacing and relocating the 14 inch diameter regulated Crone Tile from the existing headwall up pipe approximately 1,600 feet to the connection of the newer material pipe. Mr. Brock stated that he talked with Fred Glover, United States Department of Agriculture, and Mr. Glover tested the soil and recommended using dual wall pipe and full gravel. Don Adams made a motion to approve the quote from Vagedes & Sons Farm Drainage. Motion seconded by Brian Goss. Motion carried 3-0.

Adjournment

Brian Goss made a motion to adjourn the meeting. Motion seconded by Don Adams. Motion carried 3-0.
