

MORGAN COUNTY DRAINAGE BOARD

May 4, 2015

8:30 A.M.

Drainage Board members present were: Norman Voyles, Brian Goss, and Don Adams. Also present were Terry Brock (Surveyor), Deb Verley (Administrative Assistant), and Rod Bray (attorney).

Minutes – 4/6/15

Don Adams made a motion to approve the minutes of the April 6, 2015 meeting. Motion seconded by Brian Goss. Motion carried 3-0.

Storm Water Coordinator Update

Bill Dials stated that they asked bidders to provide a 10% bond assurance for the ditch spraying. The Surveyor's Office has received the check for this from the successful bidder (Dalton). Sartor Drain can be sprayed at any time because they don't have to worry about any crop damage. Cemetery and Nutter will be done first. June 1st is the deadline.

IPL Eagle Valley has received full drainage and storm water approval.

The Morgan County Partnership for Water Quality hired Wessler Engineering to inspect facilities as part of the good housekeeping requirement for the storm water permit. This is in anticipation of the IDEM audit and to identify any weaknesses.

Surveyor Update

Terry Brock stated they started the survey work on Sedwick Ditch.

A dam in Rolling Vista is close to failure and EMA and Homeland Security were involved. The dam is to be drained by 10 feet and held there till repairs are made.

There have been several drainage problems on private property around the county and they have made several suggestions in order to correct the issues.

Adjournment

Brian Goss made a motion to adjourn the meeting. Motion seconded by Don Adams. Motion carried 3-0.
