

**MORGAN COUNTY DRAINAGE BOARD**

***July 2, 2012***

***10:30 A.M.***

Drainage Board members present were: Norman Voyles, Brian Goss, and Don Adams. Also present were: Terry Brock, (Surveyor), Deb Verley (Administrative Assistant), and Pete Foley (County Attorney).

**Ditch Update**

Terry Brock, Morgan County Surveyor, stated that Lake Ditch is complete; all the bridges have been cleaned including the state bridges, now they just need a good rain. They would like to knock down the small growth that has come up on the banks of Sartor Ditch since the large trees were removed. Brian Goss made a motion to obtain costs for clearing the banks on Sartor Ditch. Motion seconded by Don Adams. Motion carried 3-0.

Mr. Brock stated that they will also have to do the elevations for the pipes on Sartor Ditch. They hope to have all the survey work done by the end of the summer.

They are just beginning to inspect Nutter and will report back next month. They have some concerns about a lake at a gravel pit and if it allows the right amount of fall for the ditch.

**Minutes**

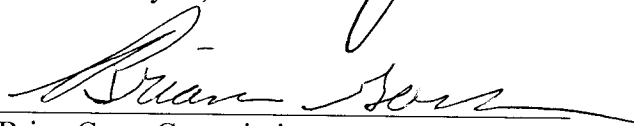

Brian Goss made a motion to approve the minutes of the June 4, 2012 meeting. Seconded by Don Adams. Motion carried 3-0.

**Adjournment**

Brian Goss made a motion to adjourn the meeting. Motion seconded by Don Adams. Motion carried 3-0.
