

**MORGAN COUNTY DRAINAGE BOARD**

*July 6, 2009*  
*11:00 A.M.*

DRAINAGE BOARD MEMBERS PRESENT WERE: NORMAN VOYLES (Commissioner), BRIAN GOSS (Commissioner), DON ADAMS (Commissioner), TERRY BROCK (Surveyor), and PETE FOLEY (County Attorney).

**STORM WATER COORDINATOR REPORT**

Terry Brock handed out copies of the Storm water Coordinator's report. IDEM has conducted their MS4 audit and evaluation of the county, but they have not issued a written report yet. The MS4 Morgan County Partnership of Water Quality entities include Morgan County, City of Martinsville, Town of Mooresville, Town of Brooklyn, and Tri-County Conservancy and were one of only three entities in the state to receive a Certificate of Recognition for Implementation of the Storm Water Program. Mr. Brock thanked the other entities, Commissioners, Highway Department, Fairgrounds, and Soil & Water Conservation District for all their efforts.

**WHITE RIVER CLEANUP DAY**

Mr. Brock stated that the Morgan County Partnership of Water Quality has decided to join other counties in a multi-county White River cleanup day. This will take place September 12<sup>th</sup> and will be the largest 1-day river clean up in the country.

**CONTRACTOR WORKSHOP**

MCPWQ is spearheading a Southern Indiana Contractor Workshop to be held early next year.

**STORM WATER PERMITS**

In the last few months, the County Surveyor's Office has issued two storm water permits and has three projects under review. The office has issued 69 individual erosion and sediment control permits for smaller building sites since January. There are six active construction sites being inspected on a regular basis. There are two pending petitions for removal of an obstruction.

**FLOODPLAIN ORDINANCE**

Mr. Brock stated that there are several subdivisions in floodplains and submitted copies of an ordinance that is already in effect in several other counties. Mr. Brock stated that the ordinance states that if there is construction in a flood plain, it must be constructed to preserve the natural functions of the floodplain.

**ADJOURNMENT**

Brian Goss made a motion to adjourn the meeting. Seconded by Norman Voyles. Motion carried 3-0.
