

MORGAN COUNTY DRAINAGE BOARD

April 5, 2004
11:00 A.M.

DRAINAGE BOARD MEMBERS PRESENT WERE TERRY BROCK (Surveyor), NORMAN VOYLES (Commissioner), JEFF QUYLE (Commissioner), AND BRIAN GOSS (Commissioner).

INDIAN CREEK/LOW GAP ROAD

Terry Brock stated that someone has constructed a new levy along Indian Creek that is obstructing the flow of the water and causing damage to the field and crops. The Board looked at pictures and discussed levies and damages. The landowner whose property was damaged requested removal of the levy since it was built without the proper permits or flood studies. Terry Brock stated that he would contact DNR and this item would be put on the agenda for the next meeting, May 3, 2004.

CRONE DITCH

Terry Brock stated that he had one bid back at this time and he would like to get one or two more bids. Mr. Brock stated that fixing half of the ditch at this time could solve the problem and would get the bids based on that.

SARTOR DITCH

Terry Brock stated that this ditch has gotten worse since he last looked at it. The east side of the ditch is eroding and it needs to be straightened and cleaned out. The ditch is only five feet away from one of the mobile homes. Mr. Brock has gotten a quote from Mason Excavating for re-sloping the bank on the east side and removing the refrigerator, bicycle, and other debris from the ditch for \$3,400. Jeff Quyle made a motion to approve the bid from Mason Excavating to do the repair work on Sartor Ditch. Seconded by Brian Goss. Mr. Brock stated that he would have gotten more bids, but this should be done on an emergency basis, if there is a big rain, some of the trailers could be lost. Motion carried 3-0.

JURISDICTION FOR DRAINAGE IN BUFFER ZONES

Terry Brock presented a letter to inform cities and towns that the County has jurisdiction within the buffer zone over the drainage. Jeff Quyle made a motion to submit the revised letter to the applicable agencies. Seconded by Norman Voyles. Motion carried 3-0.

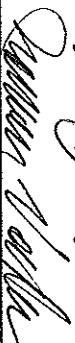

ADJOURNMENT

Jeff Quyle made a motion to adjourn. Seconded by Brian Goss. Motion carried 3-0.
