

ANCIENT ACCEPTED SCOTTISH RITE

VALLEY OF INDIANAPOLIS

NORTHERN MASONIC JURISDICTION

JAMES C. GIPE, 33°, SECRETARY

November 16, 1955

Last date to receive petitions
for
the Donald R. Kellum Class

Of course you will want to sponsor a petition for some good Master Mason friend to take the work in this class.

Remember when some one invited you to share in all the good things of the Scottish Rite, and how grateful you have always been to him! Now you have the same opportunity.

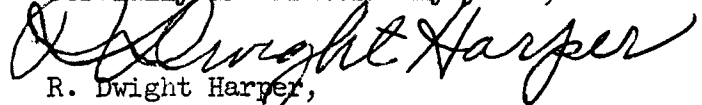

You know a brother is never too old to join the Scottish Rite. Recently a brother told us he was over 70 years old before joining the Scottish Rite, because no one ever invited him to sign a petition. Don't let that happen to your Masonic friends.

A petition is enclosed. Why not take a few minutes and know the thrill of helping a friend to share with you a real highlight in Masonic experience.

The dates for the class are December 6, 7, 8 and 9, 1955.

We are counting on you to do your part.

Cordially and fraternally yours,

R. Dwight Harper,
Thrice Potent Master

October 11, 1955.

THE NEW PARKVIEW ADDITION lies adjacent to the east side of the city park and to the north of Harrison Street. Lots in this addition are restricted to use for residential purposes only and range in size from that of an ordinary city lot to the equivalent size of 4 ordinary city lots. These lots cannot be further subdivided. The building restrictions require homes to be not less than 1200 sq. feet and to have a value of not less than \$13,500.00 excluding the value of the lot. All telephone and electrical connections from the utility line or pole will be underground, thus eliminating unsightly wires in the air.

The Parkview addition will be served by adequate size water lines, sewer lines, and gas lines.

Lots in this addition are now being sold both to individuals and to contractors.
